

# Payment Plans Offered by Interlochen Arts Academy

Dear Interlochen Arts Academy Family,

To help you better manage your student's education expenses, Interlochen Arts Academy is pleased to offer payment plans that allow you to spread your student's education expenses over smaller monthly installments, paid over the course of the school year.

Your only cost is a \$165 enrollment fee. These options are popular with many of our families because it/they provides them with greater flexibility and control over their monthly budget and helps to reduce unnecessary borrowing for education. Our payment plans are administered for us by Tuition Management Systems (TMS), whose services have helped more than two million families nationwide afford education.

To take advantage of a payment plan, simply visit [interlochen.afford.com](http://interlochen.afford.com) and enroll online. Once your plan is activated, you will receive a welcome letter via email from TMS.

All of our billing is done electronically, or you may arrange to have payments automatically deducted from your checking or savings account.

We look forward to helping you afford your student's education.

Sincerely,

Daniel A Besselsen  
Assistant Vice President, Finance  
Interlochen Center for the Arts
